## A FANTASTIC WINTER SEASON, THANK YOU RIDERS!

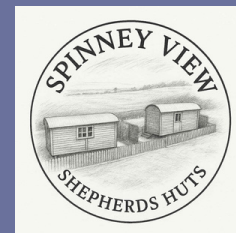

What a season it has been!

Despite the winter weather, we have seen incredible commitment to our Show jumping League at NVEC.

Riders and their ponies / horses, have shown a real determination and improvement. We held twelve events, each with a full course of show jumps, designed by our British Show jumping Registered Course Designers. Our League is for 50cm through to 1m, but we also had warm up classes at each event. Most sections are split into junior and senior., and thanks to our generous supportive sponsors, we were able to offer incredible prizes and rosettes.

## SPONSORS

We are so grateful to these generous companies for the support!

Special thanks to Rein Focus Media!  
What wonderful images of our Championship Show!

## A FANTASTIC WINTER SEASON, THANK YOU RIDERS!

As we round up our 2025/2026 Winter League, we would like to give thanks to organisers Anish and Emma. They work so hard to keep leagues updated, arranging events and entries.

We would also like to thank all of our wonderful supportive judges, and show staff. All of our stewards and arena party, keeping riders safe and happy.. and they keep the show running smoothly!

We also couldn't run without the support of Sharman's First Aid.

Big thank you to Dawn's Delights for keeping all show staff fed and watered!

**A special mention to Apollo Saddlery, Kristy's Embroideries & AMB Country wear**

**Kristy sources and embroiders all of our prizes and goody bags!**
