A FANTASTIC WINTER SEASON, THANK YOU RIDERS!

What a season it has been!
Despite the winter weather, we have seen incredible commitment to our Arena Eventing League at NVEC. These competitions consisted of approximately 8 show jumping fences followed immediately by eight arena cross country fences. The cross country section is set against an optimum time, and the winner is the rider with the least penalties nearest to the optimum time!
We are so lucky to have fantastic sponsors on board, so we can reward our riders for gaining points across the season. Our summer series begins in May, and is great preparation for next winter!

Would you like to partner with us at NVEC?

**Please email events@nvec.co.uk
for more information.**

We would love to hear from you!

A FANTASTIC WINTER SEASON, THANK YOU RIDERS!

As we round up our 2025/2026 Winter League, we would like to give thanks to organisers Anish and Emma. They work so hard to keep leagues updated, arranging events and entries.

We would also like to thank all of our wonderful supportive judges, and show staff. All of our course builders and arena party, ensuring riders are safe and happy.. and keeping the show running smoothly! We also couldn't run without the support of Sharman's First Aid.

Big thank you to Dawn's Delights for keeping all show staff fed and watered!
